

Representatives of the Jamaica Reggae Industry Association (JARIA) paid the MAJ Executives a visit on April 10, 2012. They were Charles Campbell (Executive Director, JARIA), Michael “Ibo” Cooper (Chairman, JARIA), Ewan Simpson (President, CALM), Colleen Douglas (Marketing Director, JARIA) and Steve Golding (JACAP).

Many issues were put on the table, such as submission of playlists, announcing artistes of respective songs being played, royalty fees. Also, MAJ and JARIA decided to put heads together to find ways of fighting against Payola.
